Dear *Peter,*

**ENDORSEMENT OF THE INTERNATIONAL STUDENT
IDENTITY CARD (ISIC) BY THE MINISTRY OF EDUCATION,
SCIENCE AND TECHNOLOGY**

This is to confirm the Ministry's support for and recognition of the International Student Identity Card (ISIC), which is an internationally recognized identification card that has been supplied by your organization to students since 1953.

It is gratifying to note that the ISIC card has overtime facilitated cardholders to access specially negotiated discounts in all aspects of student life.

Yours

Sincerely
